

Research in Germany – Photo Exhibition

Date: 18. Oct – 18. Dec

Venue: 1102A, DRC Building D1, 19 Donfang Donglu, Chaoyang District, Beijing, PR China

Programme

The exhibition "Research in Germany" is open to the public from 18 October 2021. The exhibition is located in the corridor in front of the DAAD office in Beijing and comprises 22 images. The images are a combination of factual and digital images that convey a concise picture of Germany as a location for research and innovation.

WORTH Visiting

Germany: A Place for Research

Germany is worth visiting as a place for research and innovation. That is why the Federal Ministry of Education and Research has been pursuing the "Research in Germany - Land of Ideas" programme, assisting German universities, research institutions and research-driven companies as they establish contacts all over the world, set up cooperative projects and publicise their scientific capabilities.
